Sub :- Indenting for the requirement of Lab Manuals for elective for 5th / 6th Semester for Engineering & Technology Courses.

MSBTE has undertaken the project on development of Laboratory Manuals for different subjects of Engineering and Technology courses. These subjects also include the elective subjects. Various elective subjects for which the Lab Manuals have been developed are as under. List of Lab Manuals for V / VI Semester.

Sr. No.	Name of Subject with numeric code	Semester	Courses

2	Advance Construction Techniques and Equipments (9137)	VI	CE/CS/CV
3	Microprocessor and Microcontroller (9147)	VI	EE/EP
4	Alternate Energy Sources and Management (9153)	VI	AE/ME/PG/PT/MH/MI

8	Telematics (9175)	VI	DE/EJ/EN/ET/EX/ED/EI

Normally the elective subjects are offered by the students in the beginning of the semester. If the requirement of the Lab Manual sent to MSBTE after the commencement of the semester it may cause much delay in supplying these lab manuals to the institutions. Hence it is suggested that the institutions shall obtain the option from the students about the elective subjects where they are sent for the examination of previous semester i.e. for 5th semester electives student shall option at the end of 4th semester and so on and send the requirement of lab manuals to MSBTE immediately.

This will enable MSBTE to arrange for timely printing and supply these lab manuals to the institutions.
